

St. Mary of the Falls Parish Parish Campaign Planning Study

Parish Campaign Planning Study Underway!

St. Mary of the Falls Parish is beginning a planning study that will be conducted in July and August to determine the viability of major parish capital improvement projects that have been developed by Our Vision 20/20 committee. Parishioner input is being sought on two key initiatives that are designed to improve every aspect of parish life:

- *Enhancing and adding onto our church building* to provide additional seating for Masses and encourage fellowship through the creation of a Narthex/ Gathering Area; and making site improvements that will provide additional parking and a new playground for our children
- *Creating a Parish Activity Center* that will meet the needs of our athletic programs and provide meeting and classroom space for parish organizations and the religious education program

Ideas and support from St. Mary of the Falls Parish members will help us finalize our plans, and determine a realistic scope of work and achievable fundraising goal. There are three ways to learn more and have your voice be heard:

- A personal interview - please contact the Parish Office at 440.235.2222 if you would like to take part in a personal interview
- Town hall meetings will be held in the parish hall on:
 - Sunday, August 19, 1:30-3:00 PM
 - Monday, August 20, 7:00-8:30 PM
- A parish-wide survey
 - An online survey will be posted to the parish website in August
 - Paper copies will be available at the town hall meetings and through the parish office

Thank you in advance for your participation. More details on the study will be shared in coming weeks.
